

AUSTRALASIAN TRAINING ACADEMY

Travel Globally. Live Fully.

ATA TESOL Vietnam

ATA TESOL VIETNAM

With the ever growing world wide demand for learning the English language, The Australasian Training Academy (ATA TESOL) understood that not all educators have the resources nor the means to study abroad for their International ESL certification. With the great success of ATA TESOL across Australia, the Australasian Training Academy set their goal of bringing International TESOL English teaching certification across the seas, to the millions of people who live in the world of ESL everyday.

The Australasian Training Academy opened their very first International TESOL training facility in the pulsating, exciting, colourful metropolis of Ho Chi Minh City, Vietnam in 2005. The Australasian training Academy, not only being one of the first Internationally certified TESOL courses in Asia but was one of the first Internationally recognised TESOL courses to train and Internationally certify both native and non-native English speakers thus enabling YOU the TESOL teacher to teach English in over eighty (80) countries world wide.

With the day-to-day high demand for ATA TESOL courses nationwide in Vietnam, ATA TESOL has recently expanded by adding locations to our every growing ATA TESOL map. ATA TESOL has opened ATA TESOL training facilities in the beautiful beachside cities of Da Nang, Quy Nhon, Nha Trang and Phan Thiet. ATA TESOL is also available in Ha Noi, the nation's capital and Vietnam's cultural icon.

All ATA TESOL Vietnam trainers are 100% foreign, native English speakers. Our dedicated International ATA TESOL trainers have many years of experience in both teaching and training overseas. All ATA TESOL trainers are accredited and certified by the International Australasian Training Academy head office, Brisbane, Australia.

ATA TESOL Vietnam offer you the chance to become an Internationally certified

ATA TESOL Vietnam team

'Since our beginning in Vietnam, ATA TESOL has enabled countless teachers and professionals across Vietnam to effectively enrich and inspire the lives and education of their students. At ATA TESOL Vietnam, not only do both ESL and government teachers greatly benefit from our course but also people from all forms of professional backgrounds. From business people, managing directors, lawyers, bankers to hotel managers, travel and tourism staff, university students, charity organisations, the list goes on...'

'All of us at ATA TESOL are very proud to bring you all the opportunity to learn, live and work in the world of International education and training.'

Heather .J. Wright
ATA TESOL Vietnam
Managing Director

ESL teacher with our intensive ATA TESOL International English Teacher's License (foundation course) and the ATA TESOL Diploma, which enhances your ESL skills with specially designed elective subjects in all facets of ESL education, International travel and tourism, hospitality and International business.

The Australasian Training Academy is accredited by the International TESOL Accreditation Board (ITAB) and is recognised by the Australian National Training Authority. All ATA TESOL certification is issued from the ATA TESOL International head office in Brisbane City, Australia.

ATA TESOL INTERNATIONAL TEACHER LICENSE

The core ATA TESOL International English Teacher License (foundation course) qualifies you to teach English in over eighty (80) countries around the world, even at home. In today's world time is a precious commodity, ATA TESOL offer you the choice of both day and night foundation courses to suit the needs of all students.

Day Course	Night Course
5 Days 8am-4:30pm	14 Nights 6pm-9pm

ATA TESOL's teams of educators, have designed a comprehensive series of academic, employment focused TESOL programmes to suit everyone's specific career needs. ATA TESOL maintain regular dialogue with schools, colleges and recruiting agencies all over the world to ensure that our programmes meet with the stringent demands of International ESL education. Our curriculum and training exceed the International certification standards so that YOU can travel and teach English with confidence, across the ESL world.

Material covered in the ATA TESOL foundation course are TESOL communication, conversation, listening, speaking, pronunciation, reading, writing and grammar.

The ATA TESOL foundation course is an activity based programme to enhance the theoretical aspect to teaching. The ATA TESOL course enables YOU the teacher to bring curriculums to life and have all students engaged in their studies through different, active teaching methodology.

On completion of the ATA TESOL foundation course, classroom presentation and exam completed, an International English Teacher License will be issued. When specialised electives are completed and assessed, then specialisation certificates will be issued.

ATA TESOL DIPLOMA

A world of opportunities with the ATA TESOL Diploma

Our ATA TESOL Diploma, enables you the TESOL teacher to enhance your ESL skills and become more marketable in the International English teaching world. We have programmes and courses to suit the study needs and academic levels, from the inexperienced to the seasoned ESL professional. Whether you are new to the field of teaching English or already a teacher desiring expanding your skills and expertise in the world of ESL with our ATA TESOL specialised elective upgrades, we offer you convenient employment focused courses with flexible study options. Study options including in class, online or by correspondence.

With our specialised training and certification, your global employment opportunities are limitless and your NEW additional TESOL qualifications will enable you to find better ESL career options and working conditions.

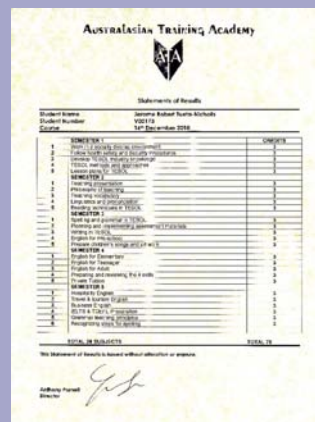

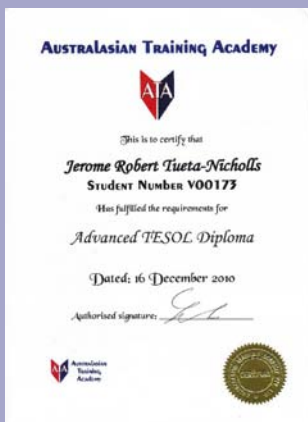

ATA TESOL offer you ten (10) specially designed elective subjects to broaden your abilities in various areas of the English education, business and travel & tourism worlds.

ATA TESOL specialised elective certification, issued from Australia on completion and submission and final grading of all elective assessments.

To complete your ATA TESOL Diploma all you need to do is select seven (7) additional specialised ATA TESOL electives after completing the ATA TESOL foundation course, to make a total of nine (9) ATA TESOL specialised electives. One of the greatest advantages of the ATA TESOL Diploma programme is that you can study the total of nine (9) electives at your leisure, anytime and from anywhere in the world. All ATA TESOL specialised elective assessments can be submitted to our ATA TESOL office online.

ATA TESOL Diploma certification

Once completing the total of nine (9) specialised elective subjects with all assessments submitted to ATA TESOL, they will be reviewed, graded and passed before issuing the ATA TESOL Diploma. The ATA TESOL Diploma is accompanied by an ATA TESOL diploma study transcript which displays the competencies and the elective subjects studied for the ATA TESOL Diploma.
